**ECC**<sup>®</sup>

Educational Competencies  
Consortium Ltd

Sector-leading products and services are just part of the package of benefits you get as an ECC member.

Because we are a member consortium, when you join ECC you become part of a network of more than 120 universities and colleges. You can tap into the experience, knowledge and practical support of Higher and Further Education practitioners throughout the UK.

## Online networks

### JiscMail

We run a member-wide JiscMail group and we actively encourage ECC members to share experiences, challenges and solutions within the group.

To sign up, email [contactus@ecc.ac.uk](mailto:contactus@ecc.ac.uk) with your full name and email address, or visit the group homepage [www.jiscmail.ac.uk/ADMIN-ECC](http://www.jiscmail.ac.uk/ADMIN-ECC) and click the 'subscribe or unsubscribe' button.

The Pensions Universities Group, Northern Universities Reward Group and South East Reward Network also use private JiscMail groups.

### Twitter and email

Follow ECC (@ecc\_views) and our Chief Executive Nicholas Johnston (@ecc\_nicholas) on Twitter, and look out for News You Can Use, our informal member e-bulletin.

# Networking events

Our networking events enable members to share and exchange information, experience and keep up to date with best practice and emerging issues. Members tell us the events are very valuable, and welcome the opportunity to learn from the practical experience of other professionals and peers.

Our UK-wide events are usually chaired by an ECC member; agendas are highly member-focused and all members are welcome regardless of mission group or organisational size. Some of the networks also run JiscMail discussion groups to ensure ongoing contact between meetings.

Current networks include:

**Northern Universities Reward Group** – A long-established forum for member universities mainly from the north of England. Members can exchange information and experience, and keep up to date with emerging ideas on all reward matters.

**Pensions Universities Group** – Members share information, ideas and news on pensions and the implications for the sector.

**Scottish FE Network Forum** – Exclusive to Scottish members, this forum is for discussion and exchange of FEDRA-related information and best practice.

**South Eastern Reward Network** – Our newest network shares information and solutions for member universities in London and the south east, focusing on current and future reward issues.

We also work with UHR's Scottish Human Resource Practitioners Network (SHRPN) which discusses recent and forthcoming changes in HR and gives practitioners the chance to exchange information and share best practice.

Get in touch for future network group dates, locations and topics. Call **020 7430 8368** or email **contactus@ecc.ac.uk**
